

Dear Sir's and Ladies, dear Business Partners!  
Hereby goes out a cordial invitation to visit our booth # 129 in hall 7 at IWA -  
Show.

Get informed in our friendly booth about the news for 2019.

- 
- POW-EX - Salut cartridges for cannons in caliber up to 85 mm, smokeless or optional with colored smoke.
  - WANO-fireworkpowders are now available in SAFETY-TUBES in storage group 1.4C. Thus will simplify the shipment and storage of your blackpowder.
    - Baschieri & Pellagri smokeless powder back in stock:  
3 x for handguns in 500 g and 4 x for rifles in 1,0 kg bottle
  - Vihtavuori upgraded the reloadingdata for the N500 series with the new N565
  - ReloadSwiss closed the gape between RS70 and RS80 with the new RS76.
  - NobelSport offers his VECTAN-Serie for the popular types in a 2,0 kg canister at a sensationel price.

**POW-EX**

**If you would like a detailed discussion, please make an appointment**

**and visit our Homepage : [www.pulver-mueller.de](http://www.pulver-mueller.de)**

Best regards from Palling and we all are looking forward to see you again in  
Nürnberg.

In our booth we offer you a Bavarian lunch and the best beer from Upper Bavaria.  
You will enjoy our hospitality!
