

Dear Sir's and Ladies, dear Business Partners!
Hereby goes out a cordial invitation to visit our booth # 129 in hall 7 at IWA -
Show.

Get informed in our friendly booth about the news for 2018.

We have answers to the questions: what is new at?

- **Baschieri & Pellagri presents a new line of smokeless powder:
3 x for handguns in 500 g und 4 x for rifles in 1,0 kg bottle**
- **Vihtavuori offers the new N 565; special made for the .338 Lapua Magnum**
- **The POW-EX Blank ammo in 10-89 for shotguns in 10/89; a huge load of 22 g
blackpowder generates a enourmus bang**
- **Nobelsport offers his VECTAN-Serie for the popular types in a 2,0 kg canister at a
sensational price**

If you would like a detailed discussion, please make an appointment

and visit our web-side : www.pulver-mueller.de

Best regards from Palling and we all of us are looking forward to see You again at
Nürnberg.

In our booth hosted by our staff with a Bavarian lunch and the best beer from Upper
Bavaria. You will enjoy our hospitality!
